Professional Profile

Computer Science and Engineering undergraduate (2023–2027) with knowledge of Java, Data Structures and Algorithms, Object-Oriented Programming, DBMS, and MERN Stack development. Passionate about software development and problem-solving with hands-on experience in developing full-stack web applications. Seeking opportunities to contribute to innovative software projects while continuously improving technical and programming skills.

Education

B.Tech, Computer Science & Engineering	2023–2027
Geethanjali College of Engineering & Technology	CGPA: 6.4
Intermediate (MPC)	2020–2022
Sri Chaitanya Junior College, Ongole	Marks: 576
SSC	2019–2020
Chaitanya High School, Ongole	Marks: 582

Projects

College Hostel Management System (MERN Stack)

- Developed a full-stack hostel management application using MongoDB, Express.js, React.js and Node.js.
- Implemented student registration, room allocation and hostel management modules.
- Designed responsive user interfaces and integrated REST APIs for seamless communication.

Complaint Management System for College (MERN Stack)

- Developed an online complaint management system for students and administrators.
- Built secure login, complaint registration, complaint tracking and admin dashboard.
- Used MongoDB for data storage and Express.js with Node.js for backend API development.

Technical Skills

Programming: Java (Primary), C, JavaScript, SQL

Core Subjects: Data Structures & Algorithms, Object-Oriented Programming (OOP), DBMS, Operating Systems, Computer Networks

Web Technologies: React.js, Node.js, Express.js, HTML, CSS

Databases: MySQL, MongoDB

Tools: Git, Postman, Visual Studio Code

Achievements

- Developed two complete MERN Stack projects with responsive user interfaces.
- Strengthened problem-solving skills by practicing Data Structures and Algorithms on LeetCode.
- Actively participated in technical workshops and coding practice sessions.

Certifications

- SkillDzire – Java Internship
- CCNA – Cisco Networking Academy (2025)
- Python Essentials – Cisco Networking Academy (2025)
- Database Programming with MySQL – Oracle Academy (2024)
